Sunset's Hospital Recovery
MEDICAL CENTER
by Perdita Finn

Applejack, do you think I'm going to survive this seasickness?
Of course you will, sugarcube.
CRUISE SHIP MEDICAL CENTER
Thank you so much, Applejack. You're a good friend.
SAFE JOURNEYS AHEAD!
Sunset Shimmer, please come to my room.
SMOOTH SEAS, HAPPY VOYAGE!
MEDICAL STAFF ONLY
So what brings you here?
Well, I saw a water, and that's how I got seasick.
Ooh! That's no good when you get seasick. But don't worry. I've just got some few medicines that will help you get through your seasickness. But you're **going** to have to rest.
I'm sure I am going to survive. I just know it.

The ship is going to sink soon!
Well, this is nice knowing you!
Don't worry, girls! Me and Applejack can fix this.
Yeah, just stay calm.

Oh no! It's not working!
Alright who would ever do such a thing to the ship!
I know who it is! It was Trixie Lulamoon! She's the one who caused this accident. Applejack, get our friends to let the know Trixie has caused an accident. And once we get closer to where she is, we get her wet.
You got it, partner.
You got it, partner.
Girls, come here please!
EXIT

Where is Sunset?
What?!
How dare she!
OK, guys. Trixie Lulamoon has used her magic trick to cause an accident to this ship.
Sunset Shimmer got seasick so she needs to rest in the medical center!
Well, how about I can take her place?
That's a great idea, Flash! You do have the power to fly when you're a Pegasi in Ponyville.
Alright, everybody, let's transform and...
Light it up, ladies!
Rainbow Lasers, let's power up!

Let's do this!
We did it together!
Friendship saved the day!

I'm so glad I gave a cruise ship a disaster. Now I can finally practice my new magic tricks.
EXIT TO BEACH
Hey, Rainbow Dash. How are you feeling?
Girl, don't How Are You Feeling me. I know you just ruined this cruise ship, but we saved it with the Magic of Friendship. Also, Applejack's got a surprise for you!
EXIT TO BEACH
Get ready, Trixie!
You're gonna pay for this, Rainbow and Applejack!
That serves you right big time!
EXIT TO BEACH
Hey, guys. Great job saving the cruise ship.
Thanks, we just--- Hey! What are you doing here? I thought you were still seasick.
I know, but I just got lots of rest thanks to Applejack and the Doctor.
It's my pleasure to help you feel better.
Hey! There's a summer solstice tonight! Let's go!

And so, the girls saved the cruise ship, and Sunset got over her seasickness.
The end!
Bye Bye!

As Sunset rests in the medical center to get over her seasickness, her friends save the cruise ship.
